I, Officer Solly, did a crosscount at 0230, and offender Webb, Robert 1569761 did respond when I attempted to make sure said offender was alive. When Officer Johns, Officer Alaniz, and myself began dropping morning chow on C-wing. As I went to each cell door and talked with each offender to make sure each offender was o.k., weather or not they went to chow. When I got to C 219, offender Shehan, Ray 1461170 was sitting on the bottom bunk. I asked offender Shehan if he was o.k., and said offender stated he was. Offender Webb was lying on a mattress on the floor near the cell door. I called offender Webb's name several times, with no response. That is was I noticed urine around said offender. So I then stepped into the cell and checked said offender for a pulse. Said offender did not have a pulse. So I ordered offender Shehan to leave the cell, and stepped out to notify the picket officer, I needed a radio and assistance when a radio arrived I began I.C.S with 7 picket. I told Officer Johns I needed the life saving response kit and a CPR mask. I then rolled offender Webb off the mattress onto his back and began CPR chest compression. Officer Johns arrived with the life saving kit, I removed the CPR mask, notified 7-picket that medical was needed. I then began life saving rescue breaths on offender Webb, as well as chest compression. Lt. Yancey arrived and began assisting with CPR. Medical arrived, and ordered that said offender be taken down statis to the gurney. Officer Brown, Officer Sarchet, Lt. Yancey and myself lifted said offender, and carried said offender down stairs, and placed said offender on the gurney. So at that time I climbed on top of said offender and continued with chest compression, as Officer Brown, Officer Sarchet and Lt. Yancey pushed the gurney to DSC on Skyview. When arriving at DSC an ambulance was waiting, with paramedics. I was relieved by the paramedics of CPR chest compression. I was then taken into medical and was checked out by medical, and allowed to cool down.
